Score Analysis

CEFR Assessment Profile

Cambridge English Scale · Skills breakdown

The Common European Framework of Reference for Languages (CEFR) is a standardised grading system aiming to validate language ability.

Pre A1	A1	A2	B1	B2	C1	C2
Beginner	Beginner	Elementary	Intermediate	Upper-Int	Advanced	Mastery

Section Skill Analysis

Capabilities and Skills	Understanding the skills

Section 1: **Reading** — **Total Score: 66.7/100**

CEFR: A2 Elementary User

Candidate can understand short, simple texts and find specific, predictable information in simple everyday material such as emails, notices, and short descriptions.

Reading

Reading reflects the ability to understand written English texts on everyday and workplace topics. The score is based on the ability to operate at functional speeds to extract details and main ideas, infer the message, and construct meaning.

Section 2: **Listening** — **Total Score: 50.0/100**

CEFR: BelowA2 Beginner User

Candidate can follow very slow, carefully articulated speech and recognise familiar words and basic phrases when spoken clearly and with repetition.

Listening

Listening reflects the ability to understand spoken English in everyday and workplace contexts. The score is based on the ability to extract key information, follow discourse structure, and comprehend meaning from audio at natural speaking speeds.

Section 3: **Writing** — **Total Score: 71.1/100**

CEFR: B2 Independent User

Candidate can write clear, detailed text on a variety of subjects. Can write essays or reports that develop an argument and highlight key points.

Writing

Writing reflects the ability to produce clear, structured, and accurate written English in workplace and everyday contexts. The score is based on grammar, vocabulary, coherence, comprehension, orthographic control, and thematic development.
